LETTER OF COMMENDATION **THE OLINGA FOUNDATION FOR HUMAN DEVELOPMENT**

The Olinga Foundation for Human Development (an NGO) launched its literacy campaign in the Prestea Huni-Valley and Tarkwa Nsuaem Municipalities in 2022. The Foundation is in partnership with CODE-Canada, Gold Fields Ghana Foundation and Ghana Education Service in the implementation of Reading Ghana, Western Region Project (RGWR).

The main thrust of the Olinga Foundation intervention has been the training of teachers for effective English Language teaching in schools. So far the intervention has trained over 280 teachers, headteachers and Ghana Education Service officials in foundational literacy skills. The program is being implemented in 37 schools.

The Foundation must be highly commended for embarking upon such a laudable program as a supplement to official intervention from government department and agencies. It is worth observing the tremendous improvement in the teaching and learning especially in literacy education in schools that came under the Olinga Foundation Literacy campaign.

The Olinga Foundation for Human Development must be commended for providing moral training and leadership skills training for teachers, headteachers and pupils in areas which benefitted from the literacy campaign.

I am personally touched by the sacrifice and spirit of selflessness exhibited by the personnel of the Foundation who work in my municipality. From both educational and social viewpoints, the work of the Olinga Foundation within a short span of one year has gone a long way to push basic education in the Municipality forward. The Foundation needs all the support and encouragement from all stakeholders to provide more services to the Ghanaian society.

I wish the Foundation well.

.....
SEBASTIAN ATRAMA DIAW
DIRECTOR OF EDUCATION
PRESTEA HUNI-VALLEY MUNICIPAL
BOGOSO
